The acting officers practise in the stunning newly refurbished Royal Hall, Harrogate

Even the Provincial Rulers practise.

Our distinguished guests from all over the country change into their regalia and enjoy each others company.

I found the Deputy Grand Master of Spain and a Past PGM and Past Deputy PGM too.

The assembly greets the Provincial Grand Master, as he enters Provincial Grand Lodge.

The PGM opens Provincial Grand Lodge and the business is conducted.

The PGM delivers his address to Provincial Grand Lodge.

The reports of the Provincial Grand Treasurer and Provincial Grand Registrar are presented.

The proceedings are managed and monitored by the Provincial Grand Secretary

The D of Cs escort the recipients of honours while the Provincial Grand Organist provides the harmony.

PGL is called off and the PGM welcomes the representatives of Breast Cancer Haven

and presents the cheque for £250,000.00 from The Freemasons Grand Charity to Linda Pollard OBE

Following the presentation, the party from Breast cancer Haven are escorted from PGL by the Provincial Grand Director of Ceremonies, to the accolade from all present.

The business of PGL is resumed.

The Provincial Grand Master concludes the business and closes PGL.

and finally the brethren leave the Royal Hall, slowly, taking the opportunity to chat with many friends, both old and new.
